

Cost of installing a two-meter distribution box

Overview

New panel box pricing typically ranges from about \$150 to \$1,900 for parts and labor, with most residential projects landing between \$450 and \$1,500 depending on amp rating, gauge of wiring, and labor complexity. The cost of a new panel box depends on the box size, meter/branch requirements, enclosure type, and labor for installation. This article breaks down typical price ranges and driving factors to help homeowners and contractors budget effectively. Adding a separate electricity meter costs \$1,400 to \$4,700. An electrical meter box houses the utility meter, service disconnects, and conductors in a code-compliant, weatherproof enclosure that forms the. Replacing a home meter box typically costs between US \$500-\$2,100, though large or complex jobs — like 400-amp or full service upgrades — may reach \$5,000+, depending on wiring, permits, and labor. You will receive your instant estimate as well as a follow-up email.
