

Eastern European optical fiber cable manufacturer

Overview

Eastern Light is currently operating, building and planning a series of fiber-optic cable routes in the Nordics, with the purpose of meeting the fast-growing demand for modern and effective long-haul dark fiber in the region. is a Bulgarian manufacturer of high-quality optical cables, established in 2018. Our production plant began. In 2026, the European fiber optic market is experiencing a massive surge as nations race to meet the European Commission's "Gigabit Society" goals. The region has become a global hub for sustainable cabling and ultra-high-density urban fiber. From our modern cable factory in Sancaktepe (15,000 m² indoor on a 40,000 m² site), we export to 120+ countries with computer-aided production. Eupen Cable is the most traditional but still the largest business unit of Kabelwerk Eupen AG and a European leader in the production of cables and wires of various types. This ranges from. OPTOKON Kable Co.
