

Moroccan fiber optic connector waterproof plug

Overview

OPT series connector has indoor connector built-in, it's connected with screw thread, and well sealed with rubber washers, waterproof grade is IP67. This series includes 3 types, SC, DLC and MPO. Mouser offers inventory, pricing, & datasheets for IP68 Fiber Optic Connectors. This IP67 OPT fiber connector design uses a screw-threaded. OPTOKON offers a wide range of fiber optic connectors, patchcords, pigtails, and assemblies designed for secure and stable data transmission. Solutions are available for both standard commercial networks and demanding environments. Backed by advanced production capabilities, we deliver certified quality, controlled lead times and local technical support. Waterproof connectors are designed for use in wet or submerged environments to ensure secure and reliable connections without any leakage into or out of the equipment. Sealing is a complex science, involving physical aspects such as mechanical design, materials & surface science, and fluid.
