

New pricing for multimode fiber optic splicing services

Overview

The exact price hinges on splice complexity, fiber type (single-mode vs multimode), jacket condition, and whether the repair occurs on a backbone, distribution, or customer-facing link. Per-splice pricing often ranges from \$200 to \$600, depending on the equipment and skill. Fiber optic splicing costs vary widely depending on project size, location, fiber type, and site conditions. High-end models offer advanced features such as automatic alignment and. This price is fixed unit cost. Splicing Services - Enclosure Prep. 00 per Enclosure Point Travel/Mobilization - Travel/Mobilization will not be charged if the labor for each trip/phase exceeds the minimum labor work as indicated below. The main cost drivers are materials, installation time, and environmental factors that affect trenching, conduit, and terminations. (Boksburg) Accommodation & SNT will only come in affect if the team must stay over to complete a site.
