

Power distribution box rainproof upright

Overview

(1) Waterproof distribution box engineered for harsh outdoor and industrial environments, providing IP65–IP68 sealing against dust, rain, and UV. Built with durable materials, CE & ROHS certified. Contact us for custom solutions! **HIGH STRENGTH CONSTRUCTION** The electric box is made of galvanized steel, which is double electrostatically sprayed for a long service life. Thanks to its reinforced aluminium back strap, it can be adapted to different environments. Crafted with advanced materials and innovative structures, it delivers reliable and stable performance in harsh environments, including humid, dusty. Goode Electric is an enterprise specializing in the production, manufacturing and sales of sheet metal parts such as stainless steel and iron distribution boxes and distribution cabinets. Our company has a history of more than 20 years and has accumulated rich experience in the sheet metal industry. The Waterproof Electrical Distribution Box, with its high-definition transparent cover, is a transparent panel that not only allows for easy monitoring of the internal components, but also enhances the overall aesthetics, making it perfectly suited for functional applications.
