

Surface-mounted single distribution box

Overview

Surface mounting: 1-row robust fuse box for 12 modules with transparent door. This small distributor is suitable for surface mounting. Can be used in wet rooms, basements, garages and all indoor areas. 5 cm Surface-mounted, single-row, IP65-rated distribution board for waterproof sub-distribution This surface-mounted, single-row distribution board from Intratec, featuring an optional lockable IP65 enclosure with a door, is designed for the required sub-distribution and circuit protection with fuses. CommScope offers a diverse range of surface mount boxes that are UL-rated and specifically designed for copper and fiber connectivity and termination. These low-profile boxes are available in various configurations, including one-, two-, four-, six-, and 12-outlet versions. Backboxes have tie wrap anchors at each.
